"Sheriff's Re-CYCLE for Kids is a great way for the community to step up and help bring a lot of joy into a child's life. I encourage citizens to go into their garages and load up those bikes that aren't being used anymore and bring them in."

THE OAKLAND COUNTY SHERIFF'S OFFICE is collecting bicycles (new, used, or in need of parts), bike accessories, tools, and parts as part of a program called Sheriff's Re-CYCLE for Kids. Anyone who would like to make a donation may bring bicycles, bike parts, accessories, or tools to the Oakland County Sheriff's Stations, or to the Trusty Camp Auburn Hills (list of addresses the back of this brochure). The Sheriff's Re-CYCLE for Kids program was conceived with the notion of what amounts to every-
one would
d to operate a bicy-
shop. Mr. Chuck Morin
ned and operated a bicycle
p in Fenton called "The Repair

Stand" and it was always Mr. Morin's belief that no child should go without the joy of having a bicycle. With Mr. Morin's passing, his family came forward with a large donation of bicycles, parts, and tools from the shop

and the idea of carrying on Mr. Morin's vision was conceived. On behalf of the Morin family, Catherine Deschaine, Mr. Morin's sister, and her husband, Mark of Waterford, became instrumental in seeing that the Oakland County Sheriff's Office received this generous donation. The Oakland County Sheriff's Office Trusty Camp is refurbishing and repairing the bikes. They are available to children at no cost through youth organizations such as Big Brothers/Big Sisters Metro Detroit, Boys and Girls Club of South Oakland County, Easter Seals of Michigan, and Lighthouse of Oakland County

to name a few. Additionally, in honor of Mr. Morin's original commitment to children, the Sheriff's Re-CYCLE for Kids will provide bikes to kids in need who attend St. Michael's Church in Pontiac and St. Vincent de Paul in Pontiac at no cost. The trustees will repair, clean, and make new again the bikes that were donated by the Morin family as well as any bicycles that are donated by the general public or bicycle shops. People interested in donating a bicycle that will go to a needy child should simply bring their bike or bike accessories to one of the listed locations.

Sheriff's Re-CYCLE for Kids is performed at no cost to Oakland County's taxpayers and is an excellent way to keep incarcerated individuals giving back to the community. Questions about the program can be directed to Mandy Ford, Sheriff's Community Liaison, at (248) 858-1947.

Oakland County Sheriff's Trusty Camp restores the donated bikes.
